

UPPER DOLORES WATERSHED/ MCPHEE RESERVOIR PROTECTION INTEREST GROUP

Wednesday, March 9th, 10:00 am to 12:00 pm

Dolores Water Conservancy District, 60 S. Cactus St., Cortez

Purpose: To continue progress on a Dolores watershed wildfire protection group by finalizing name and geographic area, understanding and furthering efforts of working groups, ranking valued assets within the watershed for an assessment of wildfire and post-fire risk, and identifying next steps toward our goals.

Expected outcomes:

- Agreement on group name
- Finalize geographic area for wildfire risk assessment
- Understand updates and ascertain input on demo site objectives
- Understand progress and latest plan for wildfire risk assessment
- Complete value prioritization for risk assessment based on County GIS mapping
- Signatures on support letter for Healthy Watershed Consortium grant proposal
- Identify partners to work together on initial communications and outreach plan
