

DOLORES WATERSHED AND RESILIENT FOREST (DWARF) COLLABORATIVE

Wednesday, April 6th, 1:30pm to 3:30pm (Regular meetings have been set for the afternoons of the first Wednesday of the month. Length may vary to allow field visits.)

Dolores Water Conservancy District, 60 S. Cactus St., Cortez

Purpose: To understand and support efforts of partners to scale-up restoration efforts in the Dolores Watershed and to further DWARF Collaborative effort to complete a wildfire risk to watershed assessment.

Expected outcomes:

- Understand updates
- Agreement on valued asset ranking
- Next steps to guide mapping and modeling for risk assessment
- Next step for potential field trip
- Additional next steps to further goals of the collaborative
